NOTICE TO FILE MISSING PARTS OF NONPROVISIONAL APPLICATION

FILED UNDER 37 CFR 1.53(b)

Filing Date Granted

An application number and filing date have been accorded to this application. The item(s) indicated below, however, are missing. Applicant is given **TWO MONTHS** from the date of this Notice within which to file all required items and pay any fees required below to avoid abandonment. Extensions of time may be obtained by filing a petition accompanied by the extension fee under the provisions of 37 CFR 1.136(a).

- The oath or declaration is missing.
A properly signed oath or declaration in compliance with 37 CFR 1.63, identifying the application by the above Application Number and Filing Date, is required.
- Late filing fee or oath or declaration surcharge as set forth in 37 CFR 1.16(e) of \$130 was not received.
- **The balance due by applicant is \$ 130.**

The following item(s) appear to have been **omitted** from the application:

- Figure(s) **22 and 24** described in the specification.

I. Should applicant contend that the above-noted omitted item(s) was in fact deposited in the U.S. Patent and Trademark Office (USPTO) with the nonprovisional application papers, a copy of this Notice and a petition (and \$130.00 petition fee (37 CFR 1.17(h))) with evidence of such deposit **must** be filed within **TWO MONTHS** of the date of this Notice. The petition fee will be refunded if it is determined that the item(s) was received by the USPTO.

II. Should applicant desire to supply the omitted item(s) and accept the date that such omitted item(s) was filed in the USPTO as the filing date of the above-identified application, a copy of this Notice, the omitted item(s) (with a supplemental oath or declaration in compliance with 37 CFR 1.63 and 1.64 referring to such items), and a petition under 37 CFR 1.182 (with the \$130.00 petition fee (37 CFR 1.17(h))) requesting the later filing date **must** be filed within **TWO MONTHS** of the date of this Notice.

III. The failure to file a petition (and petition fee) under the above options (I) or (II) within **TWO MONTHS** of the date of this Notice (37 CFR 1.181(f)) will be treated as a constructive acceptance by the applicant of the application as deposited in the USPTO. **THIS TWO MONTH PERIOD IS NOT EXTENDABLE UNDER 37 CFR 1.136(a) or (b).** In the absence of a timely filed petition in reply to this Notice, the application will maintain a filing date as of the date of deposit of the application papers in the USPTO, and original application papers (i.e., the

original disclosure of the invention will include only those application papers present in the USPTO on the date of deposit.

In the event that applicant elects not to take action pursuant to options (I) or (II) above (thereby constructively electing option (III)), amendment of the specification to renumber the pages consecutively and cancel incomplete sentences caused by any omitted page(s), and/or amendment of the specification to cancel all references to any omitted drawing(s), relabel the drawing figures to be numbered consecutively (if necessary), and correct the references in the specification to the drawing figures to correspond with any relabelled drawing figures, is required. Any drawing changes should be accompanied by a copy of the drawing figures showing the proposed changes in red ink. Such amendment and/or correction to the drawing figures, if necessary, should be by way of preliminary amendment submitted prior to the first Office action to avoid delays in the prosecution of the application.

A copy of this notice MUST be returned with the reply.

**Response to Notice to File Missing Parts
of Nonprovisional Application**

Dear Sir:

This is in response to the Notice to File Missing Parts of Nonprovisional Application mailed on October 29, 2001.

Transmitted herewith are the following:

1. Executed Combined Declaration for Utility Patent Application and Power of Attorney, submitted within a two month period of response as set out in the Notice to File Missing Parts;
2. Petition under 37 C.F.R. Section 1.53(e) to establish Prior Receipt in the P.T.O. of Items Considered as Omitted by the P.T.O., including Evidence of deposit of items with application indicated as omitted in the notice, in response to the Notice to File Missing Parts mailed October 29, 2001;
3. Two copies of the Fee Transmittal Form PTO/SB/17 in respect of the late oath or declaration charge of \$130.00 and the required fee of \$130.00 to file a Petition under 37 C.F.R. Section 1.53(e) in response to the Notice to File Missing Parts noting omitted items mailed October 29, 2001;
4. Two copies of the Notice to File Missing Parts dated October 29, 2001;

5. A copy of Figures 22 and 24 as originally filed with the application in the P.T.O. on August 31, 2001.
6. Return receipt card.

The two-month period of response expires on December 29, 2001. The submission of the foregoing is before the two-month and is therefore believed to be timely.

Should any additional fees be required with respect to the foregoing, please consider this an authorization to charge our Deposit Account No. 195113 accordingly.

Acknowledgement of the return receipt card included with our correspondence is requested. Should any Patent Official wish to telephone us, the call should be placed to Joan M. Van Zant at (416) 216-1868.

Respectfully submitted,

Joan M. Van Zant

Practitioner's Docket No. P287-USa1 (previously P287-US1)

**EVIDENCE OF DEPOSIT OF ITEM(S) WITH APPLICATION INDICATED AS OMITTED IN
THE "NOTICE TO FILE MISSING PARTS"**

In connection with the "Notice of to File Missing Parts" noting omitted items mailed October 29, 2001, applicant submits the following evidence that the item(s) indicated as omitted were in fact deposited with the P.T.O. on August 31, 2001, which is the original date on which the papers for this application were deposited:

1. A photocopy of a date stamped return post card receipt showing thereon that 14 pages of drawings were received in the U.S.P.T.O. on August 31, 2001. The return post card was date stamped by the O.I.P.E. on August 31, 2001 upon receipt by hand delivery of U.S. Non-provisional patent application No. 09/943,465.
2. A photocopy of a subsequent date stamped return post card in respect of U.S. Non-provisional patent application No. 09/943,465 mailed by the P.T.O. to the Agent of Record indicating that 13 pages of drawings were received in the U.S.P.T.O. on August 31, 2001, rather than 14 pages of drawings.

Applicant submits that the first date stamped return receipt card which itemized and properly identified 14 pages of figures as being filed serves as prima facie evidence of receipt in the U.S.P.T.O. of all items listed thereon on the date stamped thereon by the Patent Office.

Respectfully submitted,

Joan M. Van Zant
